1 for Pocket PC*Windows Media Player 9 Series and Windows Media Player 9 1 for SmartPhone*Convert Recordings to Flash FormatMake sure the WebEx Network Recording Player for Advanced Recording Format (ARF) files is installed on your computer.. You can also download it from the Downloads page that is available under Support on your WebEx service website.. If it is not installed, you can download it from the Download file window that appears when you download the recording file.. You can schedule a time when you are not planning to use your computer; the WebEx Network Recording Player automatically converts the files at that time.
